I hereby declare that I **have not** **have once** previously attempted producing a Master's thesis (incl. final oral examination).

I agree that my Master's thesis will be made available for borrowing in the university library: yes no

I agree to having an audience present for my final oral examination: yes no

Is the present thesis an external thesis \*: yes no

\*External theses: For the most part, the thesis is completed in the work environment of the company/institution<sup>1</sup>, where the student is under subject-specific supervision. The chosen topic for the thesis is in the company's/institution's interest. The second assessor can, but does not have to be associated with the company/institution.

<sup>1</sup>Definition of company/institution: Company: Profit-oriented and socio-economic companies; Institutions: Associations, public institutions, non-profit organizations, non-governmental organizations.

### Please note!

In accordance with section 26 (1) students must have accumulated a minimum of **45 ECTS credit points** to be eligible to register for the Master's thesis.

Students whose enrollment was conditional may only register for the Master's thesis if they have submitted proof that they have met these conditions to the Office of Examination Services.

The final oral examination may only take place if, in accordance with section 29 (2), item b, the Master's thesis has been graded 'sufficient' or better.

In compliance with section 30, the Master's examination is passed, if 90 credit points (ECTS) have been obtained.

In compliance with section 26 (2), **(required) elective modules have to be finalized with this request.** Therefore, please complete and submit the attached form at the latest for thesis registration.

*A detailed guide to the thesis and colloquium procedure can be found in ILU.*
